# OUR GOAL

Our goal is to improve the conditions of that rural region in India that has lacked urban amenities for an extended period. The aim is to involve the underserved population including women, men, youth, children, and the elderly, who have been denied access to food, housing, and healthcare. They are expected to participate in the nation's progress by ensuring fundamental amenities through dedicated endeavors. This involves activities such as caring for distressed animals, safeguarding the environment, promoting human safety awareness to prevent accidents, providing assistance to the disabled, promoting hygiene awareness, striving for a drug-free society, fostering women's empowerment, and enhancing the education sector.

- Old Age Home Programme

## Animals Welfare Programme

Youth Rural Development Trust has committed significant resources to enhance the well-being of canines over a prolonged duration. Despite dogs lacking the ability to convey their emotions verbally, their perceptive nature is evident. Although fully grasping the exact emotions of dogs remains challenging, we are capable of providing essential provisions such as food, clothing, and shelter. Our organization has provided assistance to both homeless dogs and other animals in need. We have furnished them with sustenance and established dog sanctuaries at numerous sites, fostering serene living environments. Additionally, our institution has extended medical assistance to distressed or needy dogs, ensuring meticulous care and treatment.

# Road Safety Programme

Youth Rural Development Trust launched a comprehensive road safety campaign, featuring experts who diligently conveyed the imperative message of road safety to all road users. Through interactive sessions, our campaign aimed to raise awareness and promote responsible behavior on the roads.

Our team of experienced professionals, with a profound understanding of road safety protocols, engaged in informative sessions to educate individuals of all ages. These sessions covered vital topics such as the significance of wearing seat belts, adhering to speed limits, avoiding distracted driving, and respecting traffic rules.

## Environment Save Programme

The Youth Rural Development Trust took a proactive step towards environmental protection by organizing a significant event aimed at fostering awareness about the importance of a healthy and fresh environment for our overall well-being. The event was meticulously designed to engage individuals of all ages and backgrounds, emphasizing the critical role each person plays in preserving our natural surroundings.

## Women Empowerment Programme

To promote fairness and equality in society, the topic of augmenting the empowerment of women in rural regions, with a specific focus on Anganwadi workers, was extensively discussed during a virtual seminar. our organization offered compulsory educational opportunities to all girls, facilitating their advancement. Furthermore, a proposition was put forth to not only provide education to social workers but also to furnish them with self-defense training, thus equipping them to effectively navigate challenges.

# Nasha Mukta Gramin Jagat Programme

The Rehed Center has evolved into a powerful symbol of hope for those ensnared in the relentless cycle of addiction. It stands as a beacon of light, offering a comprehensive approach to recovery that encompasses not only physical health but also addresses the intricate dimensions of mental and emotional well-being. Through meticulously designed counseling sessions and a holistic focus, we have not only provided support but also fostered a nurturing environment where individuals can mend their lives.

This concerted effort by YRDT and the Rehed Center is not just about combatting addiction; it's about empowering individuals to reclaim their lives, rebuild their shattered dreams, and reintegrate as productive members of our rural communities. It's a testament to the transformative power of compassion and dedication in the face of adversity, ushering in a brighter and healthier future for all.

## Old Age Home Programme

The Youth Rural Development Trust is fully committed to enriching the lives of our senior citizens through the operation of an elderly care facility that transcends mere accommodation. Within our senior care residence, we place paramount importance on nurturing the physical, emotional, and social well-being of our esteemed elderly residents. We firmly believe that optimal nutrition forms the bedrock for sustaining the robust health and vitality of our senior community. Consequently, we meticulously offer three meticulously balanced and wholesome meals each day, tailored to individual dietary preferences and any specific dietary prerequisites. Our unwavering objective is to ensure they receive the nourishment requisite for their sustained well-being. Moreover, our senior living facility is equipped with a medical clinic or maintains affiliations with neighboring healthcare establishments, ensuring immediate medical assistance is readily available when necessitated.

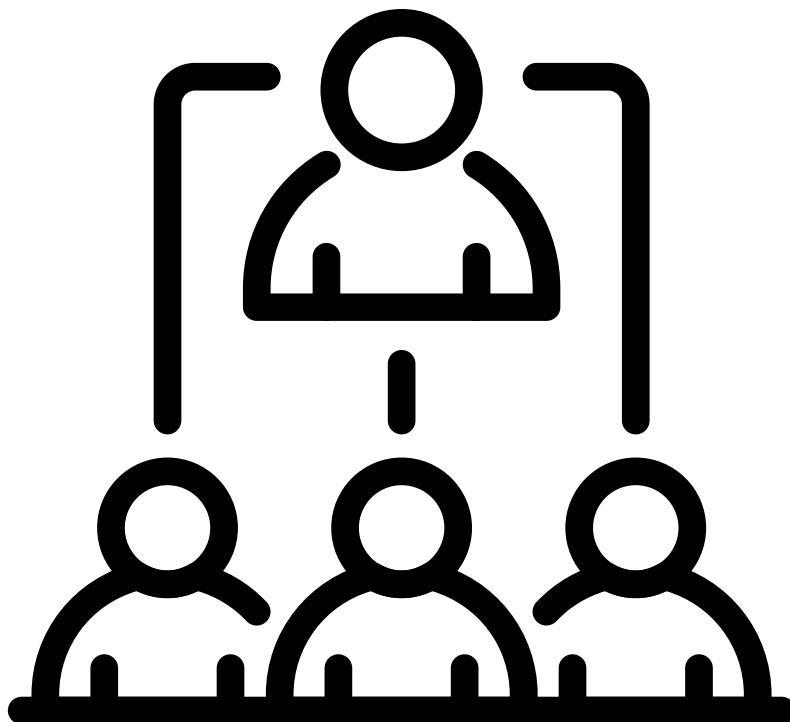

# Management

Youth Rural Development Trust, under the leadership of Mr. Krishan Ballabh Sharma as its formal head, operates with a well-structured management team. The Executive Trustee collaborates with the manager of programs and a team of coordinators/managers overseeing various sections/programs within the foundation. Together, they establish the management framework for the Trust.
