NASHA MUKT GRAMIN JAGAT PROGRAMME

Youth Rural Development Trust (YRDT) took a significant step towards addressing the issues of alcoholism and drug addiction within our rural communities by establishing the Rehed Center. This center was conceived with the mission to provide support, rehabilitation, and a fresh start to individuals grappling with substance abuse problems.

The Rehed Center has become a beacon of hope for those who have fallen into the vicious cycle of addiction, offering a multifaceted approach to recovery. We gave them counseling sessions and focused on physical health but also their mental and emotional well-being.
